

POURED OUT *For The Nations*

DECEMBER 2015

*"We are rejoicing
to be Poured Out
For The Nations!"*

Dear Sold Out Followers Of Our Lord Jesus,

Such great opportunities are opening up in Uganda—especially great if we understand the ways of the Lord according to His powerful word! You

see, many don't see the abundant life our Lord Jesus makes available if we will just believe His word. So, in this letter I am going to give some examples and I would ask you to prayerfully consider getting on board prayerfully and financially with Poured Out For The Nations.

*Psalm 68:5 A father of the fatherless, a defender of widows,
Is God in His holy habitation.*

Our wonderful partner from Rwanda, Pastor Muhoza Lewi, is working with over 100 orphans in Uganda and we get to go and minister life to them as I am leaving tonight from Israel (November 27). This is my first African trip since moving to the Holy Land. And upon arrival one of our first orders of business is to be about the Father's work with the fatherless.

Lord willing, our plan is to buy as many pairs of shoes as we can and then to have a "new shoes" celebration with the children. There is nothing like hearing precious children of Abba Father shouting out "Thank You Jesus for my new shoes"! Also, I am going to share the gospel of our Lord Jesus with them as it is only possible to come to Abba Father through our Lord Jesus (John 14:6).

Mark 16:15 And He said to them, "Go into all the world and preach the gospel to every creature.

Pastor Lewi told me the most difficult thing about making the preaching arrangements on this trip was deciding who to tell "no" as the invitations to speak the life of Messiah Jesus were more than the days available to do so. Lord willing, we will see many precious souls come to Messiah Jesus on this trip. Lord willing, we will see many disciples go deeper in their faith!

Lord willing, we will see signs and wonders, healing of the hearts and bodies as well!

I even have an opportunity to minister to many pastors at a conference set aside just to build up and encourage the leaders in some of these churches in Uganda. What a great opportunity to see pastors blessed and encouraged! Hallelujah and glory to our great God and Savior Jesus Christ!

So, ministering to orphans, preaching the gospel, making disciples, and much more—isn't this an abundant life? Pray about where you fit in—praying, giving, going!

I will have returned from Uganda when you are reading this letter and will be giving an update and praise report in our New Year's January edition of Poured Out For The Nations!!!
